People's Leasing & Finance PLC Secures Merit Award at National Cleaner Production Awards 2025

People's Leasing & Finance PLC (PLC) is proud to announce that it has been honored with a prestigious Merit Award in the Finance Sector under the Service - Large Category at the National Cleaner Production (NCP) Awards 2025, held on 06th November 2025 at Cinnamon Lakeside, Colombo. This significant recognition underscores PLC's unwavering commitment to best sustainable practices, resource efficiency and environmental responsibility.

The NCP Awards, organized by Sri Lanka's National Cleaner Production Centre (NCPC), serves as a benchmark for excellence in cleaner production, encouraging innovation and sustainability across diverse sectors of the economy. The Award specifically highlights the company's successful implementation of comprehensive cleaner production strategies and resource efficiency initiatives across its operations.

NCP Awards 2025 recognizes organizations that not only comply with environmental regulations but also go beyond compliance by introducing innovative, cost-effective and eco-friendly solutions that enhance productivity and competitiveness. This recognition underscores PLC's continuous commitment to adopt cleaner production principles, which focus on waste reduction, efficient use of raw materials and energy, minimization of environmental impact and implementation of green technologies.

Commenting on the achievement, Chief Executive Officer/ General Manager of People's Leasing & Finance PLC, Mr. Sanjeewa Bandaranayake said, "We are honored to receive this Merit Award, which reaffirms our dedication to creating value responsibly. Sustainability is at the core of our organizational strategy, and we continuously strive to enhance resource efficiency, reduce environmental impact, and promote green thinking across our operations. This recognition inspires us to promote a culture of sustainability that aligns with Sri Lanka's national sustainable development goals and global commitments such as the United Sustainable Development Goals.

People's Leasing & Finance PLC remains committed to driving positive environmental impact through ongoing its green initiatives, innovation and industry leadership in sustainable finance practices.

People's Leasing & Finance PLC, a subsidiary of the People's Bank, is renowned for its comprehensive suite of financial services, including leasing solutions, loans, and other financial products for both individuals and businesses. With a relentless focus on excellence and customer satisfaction, PLC continues to play a pivotal role in the transformation of the Sri Lankan financial and leasing industry.

Winners with their awards
