Head of Corporate Finance & Treasury

Job Role

The Head of Corporate Finance & Treasury acts as the custodian of the Company's liquidity and capital strategy, recommending optimal liquidity buffers and funding structures consistent with regulatory expectations and sustainable growth.

The role provides strategic financial leadership through advanced financial modelling, capital planning, valuation, and balance sheet optimization. The position will advise Management and the Board of Directors on funding strategy, capital adequacy, investment evaluation, and long-term financial sustainability.

The Head of Corporate Finance & Treasury will lead capital structuring initiatives, funding diversification, and strategic financial transactions while overseeing the overall Corporate Finance & Treasury function in line with regulatory and governance standards.

Key Responsibilities

- Develop and execute corporate finance strategies aligned with Company goals and objectives.
- Manage treasury operations, funding lines, and banking relationships.
- Lead capital raising initiatives, including debt, subordinated instruments, and equity where applicable.
- Manage investor relations and coordinate with rating agencies, capital market participants, and financial intermediaries.
- Conduct financial modelling, valuation analysis, and capital optimization assessments to support strategic decision-making.
- Assess financial risks, including capital adequacy, liquidity, refinancing, and market risks, and recommend mitigation strategies.
- Liaise with respective stakeholders in long-term strategy formation, revenue budget setting processes, and the identification of new opportunities for the business.
- Ensure regulatory compliance with Central Bank of Sri Lanka guidelines and other statutory requirements.
- Evaluate mergers, acquisitions, strategic partnerships, and investment opportunities
- Advise the Board and Corporate Management on corporate finance and capital adequacy matters.

Candidate Profile

Our ideal candidate will be a specialist with high precision & analytical skills and introspective who produces high quality detail work in compliance with the standards, guidelines and procedures of the Company.

- Have a bachelor's degree in Finance/Accounting/Management or Member of CA Sri Lanka / ACCA / CIMA/CFA or equivalent internationally recognized professional qualification.
- Have a MBA or Master's Degree in Finance, Business Administration, or related would be added advantage.
- Minimum 10–12 years' Managerial experience in corporate finance, treasury, or financial strategy within a Licensed Finance Company, Bank, or Financial Institution.
- Strong exposure to capital markets, structured finance, and regulatory frameworks.
- Proven leadership capability with experience managing high-performing corporate finance teams.
- Exceptional analytical, negotiation, and stakeholder engagement skills.
- Impeccable professional integrity and governance mindset.

"Successful Candidate will be provided with an attractive remuneration package and fringe benefits commensurate with benchmarked institutions."

Any form of canvassing will be regarded as a disqualification
